

Vetus - Vetus M2C5 11hp Marine Diesel Engine Package (Only 400hrs)

£ 2,495

Description

Vetus M2C5 11hp Twin Cylinder Heat Exchanger Cooled Marine Diesel Engine Package With ZF12M 2:1 Gearbox, MP10 Control Panel, Extension Loom & Set Of Flex Mountings. Taken in part exchange for a brand new Vetus M2.13 engine package. This engine was installed in a small motor launch which was dry stored and had very little use. The new owner noticed a small amount of corrosion around the heat exchanger end covers and made the decision to have a brand new engine package. With such low hours, our workshops have fitted a brand new heat exchanger with core and end caps so the engine is now in excellent condition and ready for work. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. For further information, please call our office on 01935 83876,
