Description

MerCruiser Alpha Gen 2 Sterndrives 1.62 ratio We have 6 X MerCruiser Alpha 1 Gen 2 Sterndrives. All are 1.62 ratio. Price is per unit. Props available at additional cost. All are 2021- 2023 build. All have less than 40hrs run time . Most are less than 10hrs. One has a chip in the skeg which was done whilst in storage and will be slightly cheaper. We also have 2 X MerCruiser Alpha 1 Gen 2 transom shield assemblies remaining. Again, low hours and 2021- 2023 build. They are complete with trim rams, trim sensors and inner mounting plates. The only item not included is the trim pumps. Contact us for price on these. All are in original factory paintwork and have not been coated in antifouling paint. Some small marks and abrasions to paintwork but generally very clean and original.
