

**Beta Marine - Beta 28 28hp Marine Diesel Engine
 Package Brand New Old Stock**
£ 4,995

Description

Beta Marine 28 28hp Three Cylinder Heat Exchanger Cooled Marine Diesel Engine Pair Available. Brand New Old Stock. 2009 Build. Zero Hours. Never Installed We have a pair of these Beta 28 engines which were purchased in 2009 for a catamaran build which was sadly never completed due to a bereavement. They are complete with ABV type control panels, extension looms and flexible engine mountings. They were originally ordered as bobtail engines (no gearboxes) so our workshops have fitted a pair of new TMC40 2:1 reduction gearboxes which is what would have been fitted as standard by Beta. As they have been standing for some time, our engineers have test run both engines and both started and performed exactly as they should. Videos of the two engines can be viewed at the links below: <https://youtu.be/rLjaJalfUJc> <https://youtu.be/E52bJ2Y5bQc> The manufacturers warranty has of course expired now but we will offer a 3 month warranty on these engines to commence once the engines have been installed. They offer a significant saving compared to the price of a new Beta 30 (which replaced the Beta 28 model and currently retails at £7586 + VAT) Our price on these Beta 28 engines as complete packages £4995 + VAT per unit. For further information, please contact our office on 01935 83876

Sales status: available

Manufacturer: Beta Marine

Model: Beta 28 28hp Marine Diesel Engine Package
 Brand New Old Stock

Year built: 2009
