£ 5,795

Description

Perkins Sabre M215C 215hp Six Cylinder Turbo Aftercooled Heat Exchanger Cooled Bobtail Marine Diesel Engine With Control Panel & Wiring Harness. 2006 Build Year. Ex Leisure Vessel. Taken in by us mid 2024 as part exchange and subsequently supplied to a commercial operator as a spare for one of their workboats. They have now sold the workboats running these engines and with the spare engine no longer being required, it has come back to us having never been unwrapped since we supplied it! Lovely clean original engine with good oil pressure, no smoke at all and starts instantly from cold. Running hours below 4000 from new. 24V electrics. A video of the engine running can be viewed at the following link: <https://www.youtube.com/watch?v=5vMIRkMWFHY> In very clean condition so being offered in "as removed" cosmetic condition but can be repainted at extra cost if required. Shipping can be arranged anywhere in the UK or Worldwide. Please contact our office for further details on 01935 83876
