

**Yanmar - Yanmar 4LHA-HTP 160hp Marine Engine
 & Gearbox Package**
£ 6,995

Description

Yanmar 4LHA-HTP 160hp Four Cylinder Turbo Aftercooled Heat Exchanger Cooled Marine Diesel Engine With KMH40 2.5:1 Reduction Gearbox, Control Panel & Wiring Harness. Engine is 12V but also currently fitted with a 110A 24V secondary alternator (can be removed if not required). Originally installed in a large sailing yacht with circa 3000hrs running time, we took this engine as a PX back in 2022 and then supplied it to a workboat operator as a spare for one of their RIBs. They have now disposed of their Yanmar powered RIBs and supplied the engine back to us having never needed to use it. Initial test video taken in 2022 can be viewed at the link below. This was taken before the engine was fully stripped and re-painted: <https://www.youtube.com/watch?v=tKMT6fb33MA> The engine is in clean condition with only some dust from storage and a small amount of surface rust which has re-appeared on one of the engine mounting brackets which we will strip and repaint prior to delivery. Becoming very hard to find in good condition, this wont be here for long... Delivery can be arranged anywhere in the UK or Worldwide. For further information, please contact our office on 01935 83876

Sales status: available

Manufacturer: Yanmar

Model: Yanmar 4LHA-HTP 160hp Marine Engine
 & Gearbox Package
