Lombardini - LDW 502M**£ 2,295**

Description

Lombardini LDW502M 11hp Marine Diesel Engine Package Lombardini LDW502M 11hp Twin Cylinder Heat Exchanger Cooled Marine Diesel Engine With TMC40 2:1 Gearbox, Control Panel, Wiring Loom & Flex Mounts Fitted to a classic style launch based at Henley On Thames. Fitted when the boat was built in 1999 and very lightly used in fresh water so exceptionally clean for age. The boat has recently changed hands and will now be based in tidal waters so the new owner has part exchanged this with us against a larger Beta 20 engine package. Hours reported to be approx. 700 from new. We are advised timing belt replaced winter 18/19. Test run for 2 hours at our workshops and started absolutely instantly from cold. Impressively smooth and quiet, particularly for a twin cylinder and also very light and compact. Now serviced and awaiting a new home. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
