Yanmar 4LHA-HTP 160hp Bobtail Marine Diesel Engine Yanmar 4LHA-HTP 160hp Four Cylinder Turbo Intercooled Heat Exchanger Cooled Bobtail Marine Diesel Engine With Control Panel & Wiring Loom One of the very last into the UK having been built in 2016 and installed 2017. Just over 2200hrs from new. Only replaced as part of a complete reconfiguration of the vessel and taken in by us as part exchange. Quite a rare specification as this is the lower power output commercial spec engine. The engine is in excellent running order, test run, serviced and ready to fit. A video of the engine running can be seen at the following link: <https://www.youtube.com/watch?v=9zfa4P5mmts> The engine has had the gearbox in the videos removed but can be supplied with a 2:1 reduction Yanmar KM5A gearbox at extra cost if required. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
