Description

Yanmar 6LY2A-STP 440hp Marine Diesel Engine Yanmar 6LY2A-STP 440hp Six Cylinder Turbo Aftercooled Heat Exchanger Cooled Bobtail Marine Diesel Engine With Control Panel & Wiring Loom. Removed in full running order as part of a planned upgrade to a more powerful 500hp unit. Circa 4000hrs from new and used seasonally in a high performance RIB where it was regularly serviced every 300hrs. Very rare indeed to see one of these on the used market, offering a massive amount of high performance power in a small package. Starts instantly from cold and runs very sweetly indeed. Please see video at the following link: <https://youtu.be/lt7VuHk6A9w> Offered as a bobtail engine with instruments but gearbox options can be offered at additional cost. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call our office on 01935 83876 for further details.
