Thornycroft - NEW T-20 20hp Marine Diesel Engine Package

£ 3,660

Description

Introducing The All New Thornycroft T20, 20hp Three Cylinder Heat Exchanger Cooled Marine Diesel Engine Package. Standard Specification Includes PRM 80 Gearbox (With Ratio Options) Control Panel With Tacho Plug In Wiring Loom Flexible Mount Kit Remote Expansion Tank Kit Fitted Oil Drain Pump Owners Handbook & Installation Drawings 2 Year Self Service & Self Installation Warranty. Designed & Assembled in the UK in an ISO 9001 Quality Managed Environment where each engine is individually inspected & dynamometer tested before being packaged for delivery. Great specification offering unbeatable value for money plus a wide range of useful yet affordable optional extras and upgrades including gearbox options (both mechanical and hydraulic), deluxe instrumentation, calorifier take-off points, PTO fixings…….. We will also take ANY inboard engine, running or not, as a part exchange to further reduce the cost of your new engine. Contact us today to find out what your existing engine package could be worth. We are happy for our engines to be installed by any competent owner or marine engineer and so long as the installation is inspected and signed off by a qualified marine engineer, you will be fully covered for your 2 year warranty. (Terms & Conditions Apply) For full details of our engine range and optional extras, please visit our website: www.thornycroftengines.com Alternatively, contact our sales office to discuss your requirements on 01929 500603.
