

Hyundai - Seasall D170S 170hp Sterndrive Marine Diesel Engine
£ 5,995

Description

Hyundai Seasall D170S 170hp Turbo Intercooled Heat Exchanger Cooled Sterndrive Marine Diesel Engine Complete With Original Instrumentation and Wiring Loom. Removed to increase planning speed with a Hyundai 270S with only 300hrs on the clock and in excellent original condition. This is being offered for sale as the bobtail engine with instrumentation only and will mate up to a Mercruiser Bravo sterndrive arrangement. The original drive was reused with the new engine but we do have used Bravo 1, 2 and 3 series legs and transom assemblies in stock priced separately. This engine was over £15,000 new and can now be obtained for the comparatively bargain price. Ideal for a petrol boat looking to change for diesel at a seriously reduced price. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call for further details.
