Volvo - D11-725

£ 27,950

Description

Volvo Penta D11-725 Marine Diesel Engine Package Volvo Penta D11-725 725hp Six Cylinder Turbo Intercooled Marine Diesel Engine Package With ZF 1.5:1 Hydraulic Gearbox & Brand New Instrumentation, Wiring Looms and EVC Controls. This engine has run under 25hrs from new having had a brief spell as a training and demonstration engine. Year of build is approx. 2014. As a training engine it has had some parts removed and refitted and this can be seen by the damaged paint on various fixing nuts and bolts but we can have it repainted if required. It was recently test run and is in good order as would be expected for an engine that has done virtually no running hours at all. New list price on this engine would be in excess of £78,000. Our price is £27,950 so offers a saving of over £50,000 off the new price!! Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
