

Nanni - 62hp**£ 2,495****Description**

Nanni 5.280HE 62hp Marine Diesel Engine Nanni 5.280HE 62hp Five Cylinder Naturally Aspirated Heat Exchanger Cooled Marine Diesel Engine Complete With Flex Mounts, Basic Control Panel & Wiring Loom. Selection of gearbox options available at extra cost including Hurth HBW250, Borg Warner and PRM Delta. Very clean unit and extremely smooth running from the 5 cylinder Kubota base engine. This unit has only ever been used in fresh water and is direct from a commercial client on the Norfolk Broads where it has been very well maintained and replaced as part of their winter rolling replacement program. Hours are unknown as the original instrumentation has remained with the boat but are estimated to be around 4-5K. Engine is supplied with a basic stop / start panel with warning alarm and lights with a 3M loom. This can be supplied longer on request. Starts instantly and runs very cleanly. Lots of power from a 2.7L base engine and hits max power at only 2800rpm so very good on fuel too. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
