
Perkins - M130C**£ 5,495**

Description

Perkins M130C 130hp Marine Diesel Engine Package Perkins M130C 130hp Six Cylinder Naturally Aspirated Heat Exchanger Cooled Marine Diesel Engine With Borg Warner 1:1 Hydraulic Gearbox, Control Panel & Wiring Loom Formerly one of a matched pair, one unit has already been sold so we have one more remaining. Running hours approx. 6500. Starts instantly and runs extremely well with clean exhaust and no knocks, rattles or leaks. Oil pressure is excellent. A short video of the engine can be viewed at the following link: <https://www.youtube.com/watch?v=swRDRaNqnqo> Removed from a small fresh water ferry in excellent running order to be replaced with smaller 4 cylinder units to reduce fuel costs. The engine was in very good original paintwork and was only repainted at the request of a client who placed an order but has since been made redundant and so cancelled the order. The engine has been test run, serviced and repainted. Alternative 1.5 or 2.0 ratio Borg Warner gearbox options could be fitted at extra cost. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
