

**Yanmar - Yanmar 1GM10 9hp Marine Diesel
 Engine Package - Low Hours Late Model**
£ 2,395

Description

Yanmar 1GM10 9hp Single Cylinder Seawater Cooled Marine Diesel Engine Complete With Gearbox, Good Engine Mounts, Control Panel and Wiring Loom. This engine was removed from a Contessa to be replaced with a larger twin cylinder as it was very underpowered for the boat. Year of build approximately 2005/2006 with very little use - estimated to be under 500hrs. The engine has been tested at our workshops and found to be in superb order. Now fully serviced, packaged and ready for any challenge. Rare to see a 1GM10 in genuinely good order - even the flex mounts are virtually brand new! Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
